Hudson Meridian Construction Group Appoints Vice President of Construction Services

New York, N.Y. – Hudson Meridian Construction Group (<http://www.hudsonmeridian.com>) is announcing that Rich Woolley has joined the firm as Vice President of Construction Services.

Rich Woolley comes with a wealth of experience within the industry, having constructed over 2,000 apartments in Manhattan, Westchester and Stamford, CT. In addition to managing projects, Rich has extensive experience in Estimating and Purchasing which will be a significant focus in his role as VP of Construction Services.

Rich has constructed:

Harbor Point, \$342M multi-use development including Harbor Point Hotels & Spa, Residential, Retail and School including \$85M Renovation of Landmark Building.

Trump Plaza, \$135M, 34 story, 194 units

One Carnegie Hill, \$100M, 41 story, 461 units

Bank Street Commons, \$100M, 2-20 Story Towers, 501 units

Our new innovations and the increasing demand from our customers led us to look for an addition to our team who will fit in with our exceptional service and it is very fortunate that we were able to find someone of Rich's caliber to fulfill this role. Hudson Meridian is confident that Rich will play a key role in providing and implementing high quality Construction Services.

About Hudson Meridian Construction Group

Ranked among New York City's Top 100 Contractors and among the nation's Top 400 firms, Hudson Meridian Construction Group (HM) is recognized as a leading construction services firm. While we are mainly involved in new construction and restoration projects, HM also has extensive experience in emergency/disaster response services. Our residential, cultural, and public sector projects range from public housing and new luxury residential high-rises to adaptive re-use of industrial buildings. HM is also active in the fields of health and continued care, marine, commercial offices, retail, hospitality, transportation and educational facilities.
